

We receive, collect and store any information that you enter on our website or provide us with any another way. In addition, we collect the Internet Protocol (IP) address used to connect your computer to the Internet; log in; Email address; computer information and connection and purchase history. We can use software tools to measure and collect information about the session, including the response times of the page, the duration of visits to certain pages, the interaction information of the page and the methods used to navigate off the page. We also collect personally identifiable information (including name, email, communications); payment details (including paypal account information), comments, suggestions, product reviews, recommendations and personal profile.

When you make a transaction on our website, as part of the process, we collect personal information you provide us, such as your name, address and email address. Your personal information will be used only for the specific reasons indicated above.

We collect such personal and non-personal information for the following purposes:

1. To provide and operate the Services;
2. To provide our Users with ongoing customer support
3. To be able to contact our visitors and users with general and personalized notices related to the service and promotional messages;
4. To create aggregate statistical data and other non-personal information added and / or deduced, that we or our business partners may use to provide and improve our respective services;
5. To comply with applicable laws and regulations.

Our company is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to sell you our products and services. Your data can be stored through Wix.com data storage, databases and general Wix.com applications. They store your data on secure servers behind a firewall.

All the direct payment gateways offered by Wix.com and used by our company adhere to the standards established by PCI-DSS administered by the PCI Security Standards Council, which is a joint effort of brands such as Paypal, Visa, MasterCard, American Express and Discover. . The PCI-DSS requirements help ensure the safe handling of credit card information by our store and its service providers when applicable.

We can communicate with you to notify you about your account, to solve problems with your account, resolve a dispute, collect fees or money owed, to poll your opinions through surveys or questionnaires, to send updates about our company, or when necessary to contact you to enforce our User Agreement, the applicable national laws and any agreement we may

have with you. For these purposes, we can communicate with you by email, telephone or text messages.
